Join these adventurous characters on travels to new places and times. Inspired by a museum visit, kids decide to hold a beauty contest for historical figures from different dynasties – an exercise that helps them broaden their horizons and appreciate different perspectives of "beauty" through the ages. And the history of pictographs tells more than one story about the symbols we encounter every day. Then come along to explore a wild forest with cool frogs during a father-and-son nighttime photo safari. Discover new cultures and adventures nearer than you think!
