Please answer the following questions on a separate sheet of paper. Responses to each question should be at least one half-page and can be typed or handwritten.

1. Why is film important to you?
2. At an international film festival, abroad, you may live with a host family or in a dorm with other international delegates. You will either jury films or make them. What is most interesting to you about these opportunities and why?
3. Tell why you are a good candidate for this opportunity. What personal qualities do you have that make you well suited for this experience?
4. If you have a country preference please tell us why you prefer that country.

To Apply:

There are *limited* spaces in the program. You need to move quickly if you're interested!

- **Application materials are due as soon as possible and should include the application and a recommendation.**
- Recommendations should: 1) Detail the nominee's focus and enthusiasm for being an international delegate; and 2) Describe their interest and background in media. There is no form for the recommendation.
- **A mandatory audition** for the program will be held. **Audition details will be sent at a later date.**
- Participants will be selected based on enthusiasm, personal vision and interest in film. *No prior experience is necessary to apply.*
- Participants' families must have funds available for airline ticket cost (cost varies annually & per destination) and spending money (\$200-\$500).

If you have any questions, contact kidsfest@facets.org or call 1-773-281-9075.
