Actions Speak Louder

Animated/Live-action Shorts Program,
Grades 4-6 (Ages 9-11)

All world language films will be screened with English subtitles.
90-minute program includes media education

It can take only one action by an individual to set the standard towards making good decisions! Ronald McNair sets the bar high for his own future. Christi defends Eddie Lee's differences to the bully on the block, but it's Eddie who surprises them both and opens their eyes. And Olivia steps forward to set an example by her quiet act of kindness to a boy in transition. The characters in these short films find ways of dealing with upsetting situations and not only handle the pressure – they exceed their own expectations!
